S I R:

Transmitted herewith is a Request for a Certificate of Correction for above-identified U.S. Patent. Patentee respectfully requests the approval of the attached Certificate of Correction which will bring the above-identified patent into conformity with the patent as the Examiner and Patentee intended that the patent would issue. Upon reviewing the Letter's patent, patentee noted the following typographical error with regard to the cover page.

APR 12 2006

In claim 4, column 6, line 28: after second "parameter" replace "a" with  $-\alpha-$ .

A review of the file wrapper confirms that the error was made in the printing of the patent since the recorded assignment as well as the PTO-form PTOL-85b correctly indicate the name of Assignee.

Since this error for which a Certificate of Correction is sought is a result of a Patent and Trademark Office mistake, no fee is due (35 U.S.C. §254).

Respectfully submitted,

By:
